

Is this a protected disclosure?

- Is the disclosure made by an individual or group of people?
- Was the disclosure made verbally (in private) or in writing?
- Is the disclosure made to the right body?
- Is the disclosure about a public body or public officer, or a person adversely affecting the honest performance of a public body or public officer's official function, or a person intending to adversely affect the effective performance of a public body or public officer's official function?

all YES

one or more NO

Does the information show or tend to show there is improper conduct or detrimental action?

OR

Does the discloser believe on reasonable grounds that the information shows or tends to show there is improper conduct or detrimental action?

The disclosure is probably NOT a protected disclosure under the PD Act.

You may need to refer the discloser to the relevant internal unit for complaint handling or to IBAC.

If in doubt contact IBAC.

YES

NO

The disclosure may be a protected disclosure under the PD Act and should be notified to IBAC.
